## PRES. MCKENNY AT KIWANIS MEET

GIVES INSTRUCTIVE TALK ON RELATION OF CLUBS TO NATIONAL LIFE.

President Charles McKenny of the Normal college gave an interesting talk Wednesday at the meeting of the Kiwanis club. He said:
"Clubs like the Kiwanis, Rotary,

Lions and Canopus are among the most promising things in American life today. There is a direct relation-ship between the Kiwanis club of Ypsilanti and the national life of The reason is that all over the United States you will find Kiwanis clubs, and Rotary clubs, and similar clubs.

The purpose of these clubs not to eat and have a good time but to advance American citizenship. There are two things that we have today that the nations did not have before the Christian era. They are a scientific spirit and the Christian standard of living. We are better able today to decide what is right and what is wrong than were the

NOTHING ACCENTUATES THE SMARTNESS OF YOUR COSTUME MORE THAN YOUR SHOES

Therefore one cannot be too careful in making selections, always keeping in mind the PURPOSE for which the shoes are needed. It is really the finest sort of economy to select "shoes for occasions"—for every type of footwear is made to serve a certain purpose. If misused a dainty shoe will soon look badly—and a sturdy, mannish shoe will absolutely ruin the appearance of a dainty, dressy frock. Choose "shoes for occasions" and enjoy the satisfaction of economy and correctness.

Petitions and Communications Ypsilanti, Mich., Sept. 9, 1921. To the Mayor and Common Council Ypsilanti. Mich.

We believe that it would be to the benefit of the City of Ypsilanti as well as to ourselves to open a street from Prospect to Miles street, about two hundred feet north of the M. C. R. R. Therefore we will give to the city a strip of land fifty feet in width beginning at the southeast corner of the lot owned by Kirchoffer: thence easterly to the southeast corner of land owned by Frank Reynolds; thence along Miles street about fifty feet; thence werterly to a point fifty feet south of the southeast corner of lot owned by Kirchoffer; thence northerly fifty feet to place of beginning, providing that the City will open the street from the west end of the above strip to Prospect street, across a lot now owned by Schaffer

By Ald. Max-That the communication be received and filed and referred to the Streets and Walks Committee to report back at next meeting of the Council.

lanti. Mich. Dear Sir:—In the matter of the collection of two bills namely, August Galley and Samuel Post, would request that your letter be referred to the Council for consideration.

Respectfully yours, JOHN P. KIRK, City Attorney Ypsilanti, Mich., Sept. 14, 1921

John P. Kirk, City Attorney, Ypsilanti, Michigan, Dear Sir:-Note duplicate bill to August Galley, Upper Ellis Street, Ypsilanti, due the City of Ypsilanti for Curbing and Gutter Improve-

ments in front of said property. Total-\$104.77. Also the Galley residence is outside the City of Ypsilanti, and bond was signed by said residents to insure the city payment for Curbing and Gutter Improvements when

made, and as no effort is made to pay bill I believe you should take steps to collect the above amount. Also your attention is called to Samuel Post's bill for drawing rubbish and ashes in the rear of his stores, North Huron Street.

Bill rendered January 8th, 1921, amount due \$27.00. This is the bill that the teamster. John Thumm reported. No stove pipe or brick of any value were drawn away. Also the tenant in the Huron Auto Sales store insisted that Mr Thumm clean up all the piles and so he did.

This bill should be collected. Yours very truly, H. C. HOLMES.

We your Streets and Walks Committee, after careful consideration would respectfully report that in the matter of all Curbing and Gutter Improvements to be made hereafter by the City of Ypsilanti, the expense of said improvements be born equally by the property owners and the City of Ypsilanti.

Further, that the Common Council take such steps as necessary to submit to the people at the Spring Election an Amendment in accordance with the recommendations outlined in this report.

Also that no curbing and gutter improvements be ordered built by the Council until said amendment is submitted to the people.
